LB 109, 707 - 719,  
457

CLERK: Mr. President, Senator Mills asks unanimous consent to print amendments to LB 109 in the Legislative Journal.

PRESIDENT: Is there an objection? Seeing none, it's so ordered.

CLERK: Mr. President, new bills. Read title to LB 707, 708, 709, 710, 711, 712, 713, 714, 715, 716, 717, 718 and 719.

PRESIDENT: LB 457. Mr. Clerk.

CLERK: Read title to LB 457. It was first read on January 14, 1977. It was referred to the Education Committee. It was advanced to General File without committee amendments, Mr. President. Senator Barnett has amendments pending, Mr. President.

PRESIDENT: Would you address yourself to the bill itself, Senator Barnett. Senator Lewis.

SENATOR F. LEWIS: May I make one correction as it appears in the Bill Book. That shows that bill coming out of Business and Labor Committee. It came out of Education. I wish that correction would be noted.

PRESIDENT: Thank you. It will be so noted. Now Senator Barnett, would you address yourself to the bill.

SENATOR BARNETT: Mr. President, I do have amendments.

PRESIDENT: Do you want to talk about the bill, or do you want to go right to the amendments?

SENATOR BARNETT: I think we should go right to the amendments.

PRESIDENT: All right. Read the first amendment.

CLERK: Read Barnett amendment found on page 202 of the Journal.

SENATOR BARNETT: I'd move for the adoption of the amendments. Actually, the amendments are noncontroversial. I suppose what would be best is if we could adopt the amendments and then go on with the issue. The amendments, I'll just take a second or two, what they do is allow for the bill to be drafted properly when it comes to the dates that the school board members would take over, or how they would take over their elected position. That is all the amendments do at this time.

PRESIDENT: Senator Chambers. All right. Okay. The question is the adoption of the amendments proposed by Senator Barnett. Record your vote. Have you voted? Please vote. Record.

CLERK: 25 ayes, 2 nays, Mr. President.

PRESIDENT: The amendments are adopted. Senator Barnett, on the bill itself.

SENATOR BARNETT: Mr. President, members of the Legislature, this bill has been brought around here for three or four years. I don't think it was only brought by the Lincoln
